

PARTNERS FOR A CURE FOUNDATION, INC.

March 3, 2011

Dear Local Business Owner,

We are hosting a Golf Outing on June 25, 2011 at Flagg Springs Golf Course. This outing is to raise funds to benefit Partners For A Cure Foundation, Inc. A non-profit foundation dedicated to helping cancer patients with immediate financial needs.

In 1999, Kim Goebel was diagnosed with breast cancer. While undergoing chemotherapy treatments, she began hearing the stories of abandonment, lack of insurance coverage, daycare expenses, and difficulty with transportation. The cost of battling cancer is expensive and can devastate a family or an individual financially.

Kim knew she had to help, so with her sister, Kris Kalnow, they establish Partners For A Cure Foundation, Inc. Kim lost her battle with breast cancer in 2004 but her generosity carries on through Partners For A Cure Foundation, Inc.

We are hoping with the funds raised at this outing, we will be able to help more patients ease the burden of many medical and other expenses that they incur during this troublesome time. With your support, we can help patients and their families.

Your company can help us by donating items for our silent auction, raffles, and door prizes. If you prefer to donate cash that would be wonderful also, any size donation is greatly appreciated!

Corporate hole sponsor signs and T-shirt advertisements are also available. Signs will be placed at tee boxes and T-shirt ads will be placed on the back of a T-shirt given to all golfers. T-shirt sponsorship will cost \$150.00 and will require your artwork in a "vector art" format. Sign sponsorship will cost \$100.00 and will require your logo artwork.

We appreciate your company's generosity and consideration for a donation. If you have further questions, please contact us by phone or our email address.

Thank you for your time,

Partners For A Cure Foundation, Inc.
Golf Outing Committee

PS: So we can plan our event better, could you please let us know your decision by June 1, 2011?
Thank you.
