Register to walk today!

www.pfacf.org

And click Register.

You can now start a team or
join a team an existing team.
Check it out!

Can't walk, live out of town? You can still make a HUGE difference!

You don't need to be at the Walk to fundraise! Even if you are out of state, you can still help make a difference with fundraising! It's easy! Get involved, become a fundraiser!

BECOME A FUNDRAISER

1. Go to the donation site at www.active.com/donate/pfacf and click the **Become A Fundraiser** link in the top menu. Choose to start a fundraising team or do it individually.
2. This will prompt you to log in or create an account. Enter in your email address and a screen name you prefer and click next.
3. Create your fundraising website address; choose something easy to remember and distinct for you. For example, if your name is Jane Smith, you might choose to enter "jsmith" in the field. Once you have chosen an address, click continue to further personalize your page.

TO PERSONALIZE YOUR PAGE

Now you can personalize your page. Change the page title, add a welcome message, upload a photo, change the colors, and set a goal amount. Don't forget to hit the **Finish & Save button** in the purple bar at the bottom right of the page.

If you are looking for a message explaining Partners for a Cure Foundation to use in your web page's description or to email to your friends and family, simply copy and paste the one below, or you can create your own personal message.

Thank you for donating to Partners for a Cure Foundation. Unlike many other organizations that fund cancer research programs and medical advancements that target the pathology of the disease, Partners For A Cure has a somewhat different agenda. As a non-profit organization, donations collected from www.pfacf.org, and proceeds from the Kimmie Cares dolls and books go to individuals with cancer who need immediate financial assistance.

PFACF knows the cost of battling cancer is very high. They provide help to people in whatever form it may be needed, from day care services to physician and hospital fees.

Partners for a Cure Foundation thanks you for your contribution and wants you to know that by your generosity, you too are contributing to the well being of many others with this disease. Please visit the website to learn more: www.pfacf.org.

EMAIL FAMILY AND FRIENDS

Your website address will be shown below the Fundraising Campaign title at the top in italics. It will always start with www.active.com/donate/pfacf and end with what you choose. For example, Jane Smith's web address: www.active.com/donate/pfacf/jsmith.

With this address, you can now easily ask friends and family to join you in the crusade against cancer. Email your web address and everyone will be able to access your page and make pledges.

WIN PRIZES

Our top three fundraisers will receive grand prizes! Individuals who collect \$250 will receive a PFACF tote bag. Individuals who collect over \$500 will receive a PFACF tote bag and dining certificates.

**Hey Walkers, don't wait to Register
and set up your fundraising
web page!**

You'll need time to raise pledges. We can't reach our goal without **YOU**. Remember, the walk is just a few weeks away.
